To whom it may concern,

My name is Diana Malecha and I am the media director and an Associate Pastor at The House Church in Eagan, Minnesota. I worked with Kevin Jenson in the capacity of supervisor. Kevin was employed by the House Church in 2014 and 2015 as a contract worker who executed weekly tasks related to the production of our online media.

I would enthusiastically recommend Kevin as an employee. He has a very sharp mind, strong attention to detail and excellent interpersonal skills. I found him to be extremely coachable and responsive to feedback. He is self-directed and consistently went above and beyond to improve processes and find ways to work more efficiently. He always approached leadership in a humble and respectful manner. Additionally, his character and integrity are exemplary.

I would be happy to give additional information as needed. I can be reached at dianam@ithehouse.org or 612-570-1399.

With kind regards,

Diana Malecha
